

AG Capital Worldwide STRATEGIQ FR Retail Fund of Hedge Funds

MINIMUM DISCLOSURE DOCUMENT – Class I
31 May 2026 | MTD: -0.57%

Investment Objective

The objective of the fund is to generate absolute returns over the medium to long-term, regardless of market direction, whilst being mindful of volatility and capital preservation. The objective is achieved through diversifying hedge fund managers across various strategies and asset classes, including equity long short, market neutral, multi-strategy and fixed income hedge funds.

Investment Policy

The Portfolio will follow a variety of strategies and is permitted to invest in exchange rate swaps, assets in liquid form and participatory interests in collective investment schemes and approved retail hedge funds. The portfolio will invest in Worldwide markets, including investments in the South African market subject to the investment conditions determined by regulations from time to time. The portfolio may apart from assets in liquid form also include participatory interests or any other form of participation in portfolios of collective investment schemes or other approved retail hedge funds. Where the aforementioned schemes are operated in territories other than in South Africa, participatory interests or any other form of participation in these schemes will be included in the portfolio only where the regulatory environment is to the satisfaction of the manager and trustee and is of a sufficient standard to provide investor protection at least equivalent to that in South Africa.

FAIS Conflict of Interest Disclosure

Collective Investment Schemes are generally medium- to long-term investments. The value of participatory interest (units) may go down as well as up. Past performance is not necessarily a guide to future performance. Collective investments are traded at ruling prices and can engage in scrip lending and borrowing. The collective investment scheme may borrow up to 10% of the market value of the portfolio to bridge insufficient liquidity. A schedule of fees, charges, minimum fees, and maximum commissions is available on request from the manager, is available on request from the manager, as well as a detailed description of how performance fees are calculated and applied, is available on request from FundRock Management Company (RF) (Pty) Ltd ("the Manager"). The Manager does not provide any guarantee in respect to the capital or the return of the portfolio. Excessive withdrawals from the portfolio may place the portfolio under liquidity pressure and in such circumstances, a process of ring-fencing of withdrawal instructions and managed pay-outs over time may be followed. Commissions and incentives may be paid, and if so, are included in the overall costs. The Manager may close the portfolio to new investors in order to manage it efficiently according to its mandate. Prices are published daily on our website. Additional information, including key investor information documents, minimum disclosure documents, as well as other information relating to the basis on which the manager undertakes to repurchase participatory interests offered to it, and the basis on which selling and repurchase prices will be calculated, is available, free of charge, on request from the Manager. The value of an investment is dependent on numerous factors which may include, but not limited to, share price fluctuations, interests and exchange rates and other economic factors. Where foreign investments are included in the portfolio, performance is further affected by uncertainties such as changes in government policy, political risks, tax risks, settlement risks, foreign exchange risks, and other legal or regulatory developments. The Manager ensures fair treatment of investors by not offering preferential fee or liquidity terms to any investor within the same strategy. The Manager is registered and approved by the Financial Sector Conduct Authority under CISCA. The Manager retains full legal responsibility for the portfolio.
