Notes

1. The Trust Management – ESG Balanced Fund invests in the Trust Management - Property Fund, the Trust Management – ESG International Share Fund, the Trust Management – ESG International Bond Fund, the Trust Management – ESG NZ Bond Fund and the Trust Management - ESG Australasian Share Fund, all of which are managed by Trust Investments Management Limited.
2. For the Trust Management - Property Fund, the Manager has determined that there is no appropriate market index or suitable peer group index for this Fund that reflects the assets of this Fund that would be helpful to investors for assessing movements in the market in relation to the returns of this Fund. As the Trust Management – ESG Balanced Fund (the Balanced Fund) invests approximately 32% of its assets in the Trust Management - Property Fund, the Manager considers that there is no appropriate market index for the non-Property Fund assets of the Balanced Fund that is likely to be useful to investors when assessing the performance of the Balanced Fund as a whole for all relevant periods. Accordingly, the Manager is relying on the exemption in the Financial Markets Conduct (Market Index) Exemption Notice 2024 in relation to the Balanced Fund.
