Dear Investor,

Notification of the mandatory conversion of D (Acc) EUR Shares to D (Acc) GBP Shares in the FP Apollo Multi Asset Cautious Fund, a sub-fund of FP Apollo Multi Asset Management Funds (the “Company”).

- **D (Acc) EUR Shares (“D EUR Shares”)**
- **D (Acc) GBP Shares (“D GBP Shares”)**

As the Authorised Corporate Director (the “ACD”) of the Company, we are writing to inform you that we intend to convert the D EUR Shares of the FP Apollo Multi Asset Cautious Fund (the “Fund”) to D GBP Shares on 15 October 2021 (the “Conversion Date”).

We have classified this change to your D EUR Shares as significant in accordance with the rules contained in the Financial Conduct Authority’s Collective Investment Schemes Sourcebook. Accordingly, we, as ACD, are giving you 60 day’s advance notice of this change. This letter constitutes such notice.

Due to the continued decline of this share class size, this has resulted in increasing costs to the hedging service. The ACD therefore no longer feels it is in the benefit of the investors best interest to hold shares in this share class, due to the decreasing amount of assets under management.

The key differences between the D EUR Shares and the D GBP Shares are set out in the table on page 3.

If you agree with the proposed changes you are not required to take any action. Your D EUR Shares will automatically convert into D GBP Shares on the Conversion Date.

If you are not in agreement you may switch or redeem your Shares in the usual way, free of charge, by 12:00 noon on 15 October 2021 at the latest, in line with the timetable below.

**Key differences between the D EUR Shares and D GBP Shares**

**Mandatory conversion**

The conversion of the Shares shall take place pursuant to the provisions of the Prospectus which permit the ACD to carry out mandatory conversions of Shares where it believes that it is in the best interest of the Shareholders to do so.

The total number of New Shares to be created and issued pursuant to the mandatory switch shall be calculated by dividing the total value of the A Shares held on the Effective Date by the price of the D Shares as at the Effective Date.

The total value of your investments will not be affected by this conversion.

Taxation

Shareholders who are resident in the UK for tax purposes should note that the conversion described above should not give rise to a disposal of D EUR Shares for the purposes of UK taxation of chargeable gains. Instead, shareholders will be regarded as having acquired the D GBP Shares at the same time and for the same aggregate base cost as their D EUR Shares were originally acquired. As such, for persons subject to UK tax, the conversion should not have any impact on the tax treatment of your investment. If you are in any doubt about your tax position or if you are subject to tax in any jurisdiction other than the UK, you are advised to seek independent tax advice.

Costs

Any costs incurred in the conversion will be borne by the ACD. As an investor in the Fund you will not incur any cost.
